

Department: Finance
Position: Cost Accountant
Location: Dublin - City Centre

About Asavie

Asavie is a fast-growing leading edge technology company in global connectivity. Headquarters in Dublin, the company partners with businesses in a range of international markets.

Due to our continuing expansion, we wish to recruit a Cost Accountant to join our Finance Team. Based in our offices in Dublin, Ireland, this role will initially concentrate on the costing aspect of the business, however will progress to include other elements, for example; revenue and investment analysis and decision making. Asavie values training and education and is dedicated to providing the tools and support to our employee's professional development

Responsibilities:

- Planning, studying and collecting data to determine costs of business activities and products
- Analyzing key cost drives in the business, recording results, and producing reports for management use
- Recording cost information for use in controlling expenditures
- Manage product costings to ensure they are commercially viable and operationally achievable
- Assist with price book updates and gross margin predictions
- Return on Investment calculation
- Working within the broader finance team on improving reporting processes
- Provide ad hoc support to senior management
- Future progression into revenue and investment analysis

Qualifications:

- Accountancy qualification required, preferably CIMA

Essential Skills & Experience:

- Three years' cost accounting experience with particular experience in structuring costing models to inform product pricing, ideally in a tech orientated setting
- Attention to detail
- Ability to work on own initiative
- Strong analytical skills
- Proficiency in financial systems and excel
- Excellent verbal and written communication skills including PowerPoint
- Ability to accurately prepare reports when required
- Good relationship management and internal consulting skills

How to Apply

- If you think you have what it takes to really make a contribution in our company, then email your CV and cover letter to careers@asavie.com. We offer higher than average compensation reflecting the calibre of person required.
