About Asavie

Asavie is an Equal Opportunity Employer that offers a competitive salary, benefits & the professional advantages of an environment that supports your development & recognizes your achievements. Asavie offers an inclusive environment where employees have the opportunity to succeed and diversity is embraced as a competitive advantage in the marketplace. The passion that our people bring to their work extends to their private worlds, and Asavie encourages a healthy balance between the two.

Asavie is the world's leading developer and provider of cloud-delivered, secure connectivity services to mobile Carriers. Asavie's unique Software-as-a-Service (SaaS) connectivity solution delivers seamless connectivity to the Carrier's customer, regardless of network, technology and locations. Headquartered in Dublin, Ireland with offices in the United Kingdom, Spain and the United States, Asavie provides services to mobile Carriers, including Telefonica O2, AT&T, Orange and Vodafone, boasting customers on 5 continents.

Due to our continuing expansion, we wish to recruit a Test Engineer to join our Services team, to be based in our offices in Dublin, Ireland.
