- Transaction processing and reconciliations (AP and AR)
- Process supplier payments when due
- Review and process staff expenses
- Liaising with HR in relation to any changes affecting payroll
- Assist with month end reporting including bank and credit card reconciliations
- Providing support and cover to the finance team members as required
- Ad-hoc assignments as required

Skills Required:

- Outgoing and eager to learn new skills.
- 2+ years experience in an accounting function.
- Familiarity with accounting systems.
- Excellent excel skills.
- Excellent communication skills.
- Excellent organisation skills.
- A person who lives the values of the organisation and contributes to the development of our positive 'can-do' culture.

About Asavie

Asavie is the world's leading developer and provider of cloud-delivered, secure connectivity services to mobile Carriers. Asavie's unique Software-as-a-Service (SaaS) connectivity solution delivers seamless connectivity to the Carrier's customer, regardless of network, technology and locations. This market is poised to grow from zero to almost a billion dollars per year in the next 5-10 years. We encourage employees to continue to upskill and offer attractive bonuses for exams and certifications, along with study time and a lab environment. We feel it is important to provide an environment where our employees grow with our company.

Asavie Technologies is an equal opportunities employer.

How to Apply

If you think you have what it takes to really make a contribution in our company then email your CV and cover letter to careers@asavie.com. We offer higher than average compensation reflecting the calibre of person required.
